

PREMIUM FEATHER & TEARDROP FLAGS

NZ's most awarded free-standing flags featuring a lifetime warranty on our patented Dura-Pole system

The perfect flag for your brand

1. Select your style & size
2. Choose single or double sided
3. Pick quantity needed
4. Add your base (over page)

With access to the largest range of flags in the local market and being manufactured in New Zealand you can be sure we have an option that suits your needs. Our free-standing flag range is effective for outdoor sporting events, trade shows, indoor conferences, experiential events, product launches, brand activations, sponsorship events or just about anything else you can think of.

Our flags are dye-sublimation printed which ensures you get the most vibrant colours in a durable washable fabric, and because the process is all digital you do not have to pay more for full colour complex graphics. The hardware is proven and tested and with an extensive range of base mounting options you can take these flags these just about anywhere.
